Job Description

We're hiring a licensed Pharmacist who puts patient safety first. You'll ensure accurate dispensing, provide clear medication counselling, manage inventory and compliance, and collaborate with healthcare teams to improve medication outcomes for our patients and customers. As a Pharmacist you'll be responsible for safe and efficient medication use across our service channels. You'll verify prescriptions, counsel patients, manage stock and records, support clinical programs (vaccination, medication therapy management), and lead quality and compliance efforts in the pharmacy.
